WE CREATE INCREDIBLE LANDSCAPE ENVIRONMENTS

and happy customers

Our passion is reflected in our hand-crafted environments and in heartfelt handshakes by our owner himself. From our first meeting to years after we have completed a project, our customers feel our commitment to them. In fact, in nine years with Angie's List, we have achieved eleven consecutive Super Service Awards!

SUPER SERVICE AWARD, 2008–2018**

"Capehart's work was exceptional. They had to re-do work that was done by another company, and they did the job right! They did what they said they would do and provided a guarantee for their work. I highly recommend their installation of hardscapes and landscaping."
